I believe it's DWP. Pussy and Pooch is at 6th and Main. Same intersection.

Looping in Nate Hayward. Nate, this utility work under Main St has been going on for over two weeks now. Do we know how much longer its supposed to continue? At the very least, we need to have some "all businesses are open" signage posted at the corners to direct people to Pussy & Pooch and Nickel Diner.

Happy to help coordinate that,

Ari

Can you guys assist with this? It has been pretty bad. Nickel Diner is a ghosttown.

Who do we speak with to get some help on this construction and filming ?? We've had severe blockage for weeks and the city continues to also allow filming at the same time. It is horrible and killing sales. There is no parking due to filming and no way to walk to the store bc of construction. Our clients are so upset and we are losing business.

Lots of lane closures still in full effect. Our intersection is almost completely blocked off.
